ART EXHIBITION FEATURING

Indulis Svikis aka. Indie (Honley resident for over 40 years) is a digital artist and published author creating unique abstract art and video whose works are characterised by economy of technique, a preoccupation with shapes, space and colour, influenced by contemporary art, impressionism, cubism, expressionism, futurism and surrealism. Art by Indie is created using an iPad and digital software including Sketches Pro, Brushes Redux and Pixelmator Pro. Indie's collection of paintings and

publications may be viewed and purchased on his interactive online gallery. Indie is a member of the Huddersfield Art Society. His latest publications include | The Digital Art Revolution | The Greek Collection | Destination Satirical World | available at Amazon Books.
